CIVIL ACTION NO. 5:10-CV-548

ADR REPORT

Pursuant to the Court's November 16, 2010 Scheduling Order and local rule CV-88, plaintiff Gillette Air Conditioning Company ("Gillette") submits this ADR Report.

The parties have engaged in settlement negotiations. In defendant Scheutzow's last settlement communication, dated September 1, 2010, he increased his settlement demand by 30% and advised that the amount of his settlement demand would increase by an additional 15% "...every time we discuss the settlement proposal and leave the table without a settlement..." Based upon Gillette's experience attempting to resolve this dispute to date, Gillette does not believe that ADR is appropriate in this case at this time.

The person responsible for settlement negotiations for Gillette Air Conditioning Company is Vince Gillette, Jr. and counsel. Gillette has been informed of the ADR procedures available in this district.

Dated: December 1, 2010.

Respectfully submitted,
